Tucked into the desirable Devonshire community in South Asheville, this spacious 3,044-square-foot stucco home offers a rare opportunity to renovate and reimagine in a prime location. With 3 bedrooms, 2.5 baths, and a main-level primary suite, the floor plan offers excellent flow and potential for modern updates. Hardwood floors add warmth and character, while the private patio—backing to the serene, protected lands of the Blue Ridge Parkway—invites outdoor living and quiet connection with nature. Bring your vision to breathe new life into this home and enjoy the convenience of South Asheville living with the added value of a peaceful, park-adjacent setting.
